

Presentation and Debutante Ball Photography

Our aim is to provide high quality portraits with minimum fuss, at reasonable prices and in the most efficient manner for all concerned. We do all the selling and follow-up, parents can see the prints in the comfort of their own home, there are no minimum orders or limits on photos taken and the school or Presentation Ball organisers receive a guaranteed commission. In 2009 John Travers photographed 1197 couples from 44 Deb sets and we are confident you will be more than happy with the results we provide for your forthcoming Presentation Ball.

*** Number of Photographs Taken**

We will supply five shots of the Deb by herself, three shots of the partner by himself, three shots of the couple together, the curtsy, friends within the Deb set and family photographs after the Presentation is completed.

*** No Hassle Selling**

Each Debutante and partner will receive a set of full size 13x18cm prints to take home to show family and friends.

There is no minimum order and all we ask is that they return the prints not wanted and pay for those kept by the closing date for orders which is usually 10 days after the prints are originally sent home to view

*** Two Week Delivery of Original Prints and Three Week Delivery of Re-Orders**

The original prints will be ready for handing out to the Deb and her partner within two weeks of the Presentation Ball and reprints ordered will be posted direct to the family home within three weeks of the reprint order being received by the studio
