

## **Formal and Graduation Photography**

Our aim is to provide fun, high quality photography with minimum fuss, at reasonable prices and in the most efficient manner for all concerned.

### **\* *What We Take and When***

We set up one hour prior to the guest arriving and whenever one or more guests wants a photo taken they simply step up to have it taken

Individual portraits and family photos tend to have more of the traditional well posed studio portrait look about them whereas groups of students have a more fun, relaxed and unstructured appearance in line with our theme of " we just want to have fun " for these events

Usually we stay till between 10.30 and 11.00 pm and we work in with the organisers so that photography is not being done whilst meals are being served and presentations made

*There is no obligation to buy, no minimum order requirement, no fee for attending and no restriction on what we take*

**\* *Print Prices***            **13x18cm - \$12 ea**                    **20x30cm - \$20 ea**
